Who We Are
The Osher Lifelong Learning Institute at West Virginia University, known as OLLI at WVU, provides programs and educational opportunities designed for adults 50 and over.

OLLI at WVU is a membership organization affiliated with the School of Public Health at WVU that recognizes the unique experiences, capabilities, and wisdom of mature members of the community. OLLI at WVU emphasizes the sharing of ideas through peer learning, member participation, and collaborative leadership.

During four terms each year, OLLI at WVU offers day and evening courses, lectures, seminars and field trips in such areas as music, literature, art, science, politics, nature, history, health, medicine, and economics. Live drama, movies, and special interest groups add to the choices.

Courses are developed and taught by volunteers from the community who are passionate about their topics, avocations, and interests, and love to share their ideas.

Most Morgantown courses are taught in the OLLI classrooms at the Mountaineer Mall. Others are held at different locations within the Mall or at off-campus locations. Charleston courses are usually taught at the West Virginia University building on the CAMC Campus.

Come and renew your enthusiasm for learning in a relaxed environment that is supportive and filled with humor, wisdom, diversity, and insight. Courses are entirely free of the pressures of grades and exams and you may choose as many as you like.

A Message from Our Director

I APPRECIATE THE OPPORTUNITY TO SAY GOODBYE AND THANK YOU to all of the members of OLLI at WVU. It has been a pleasure to be a part of this community these last 3.5 years. I will carry away fond memories of talented and dedicated members and an outstanding program of which we all can be proud.

With the committed Board leadership, dedicated volunteers and instructors, support from the University, the School of Public Health, the Osher Foundation, and the addition of an excellent new executive director, all of the ingredients are in place for OLLI’s continued growth and success.

It has been my privilege to serve you in this capacity and I look forward to the next endeavor... farewell and thank you to all who are stepping up during this transition.

Angela Faulkner-VanDeyssen

If you are interested in teaching

OLLI welcomes your skill, talent, and passion. Terms run for six weeks with weekly, approximately two-hour presentations. Some instructors choose to offer shorter courses or a one-time presentation. Read more on the OLLI website under FAQs on the Instructors tab.

OLLI Summer Term is July 11 - August 19, 2016. Course Proposals are due by April 28, 2016.
Have we made it through winter 2016? Perhaps not quite, but with this catalog arriving in your mailbox or on-line, you know it’s coming soon, and with it, another list of classes offered by community and academic experts on a great variety of topics from health to history to the arts and crafts to travel to…well, you get it: LOTS of possibilities for personal growth and enjoyment.

Although it is too late to make it to press with this publication, we will very likely have a replacement for Angela Faulkner-VanDeyysen, our dedicated and resourceful Director for the last three and a half years. During this time we have experienced growth, a branch in Charleston, strategic planning and some stability in funding with the help of WVU’s School of Public Health and the Office of the President. In her new capacity, it may just be possible to entice Angela to teach some wealth management classes for OLLI!

I can’t end this little introduction to spring without urging you to get a friend to come to OLLI, join and take classes. It is essential that we maintain at least 500 members in West Virginia or it could result in the dire financial loss of the Osher endowment. Our Board has recognized this goal as our top priority after hiring a new Director. Won’t you help us keep blooming through spring and beyond?

Jim Held, President
OLLI at WVU Board of Directors

A special Thank You to Susan Hall Witt for our catalog cover artwork.
